

Grates & Guards

Afinitas is the premier supplier of grates and guards with a vast portfolio of options. We have the capability to custom design and manufacture grates for your specific requirements, and each option is typically made from galvanized steel but can be made from other materials such as aluminum or stainless steel.

Beaver Buster Grates

Box Inlet Grates

Ladder Safety Grates

Manhole Grates

Outlet Screens & Bell End Grates

Flared End Vehicle Safety Grate

Trash Guards

Grates & Guards Advantages:

- Afinitas grates and guards will fit most shapes including round, square, elliptical, and arch
- Built with All-American sourced steel
- Our team works with you to customize your design for the proper fit and performance
- Afinitas will provide new design, drawings, and quotes as requested by any customer
- Afinitas strives to be competitive in the market by using the latest in manufacturing technology, along with our skilled labor force to provide customers with standard or specialized products

Ask about our Made in the USA capabilities. We can custom-manufacture to your specifications using domestic materials.
